

HOW TO MAKE AN ACCORDION DRAGON

YOU WILL NEED:

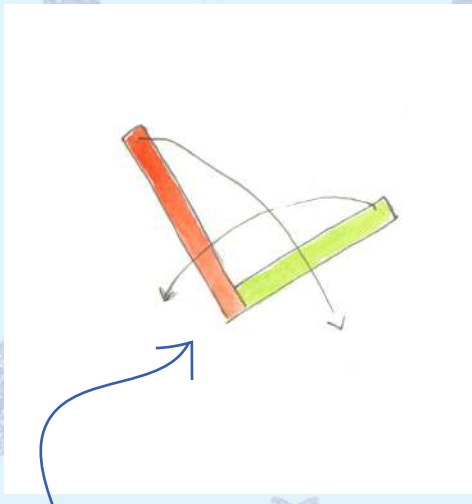

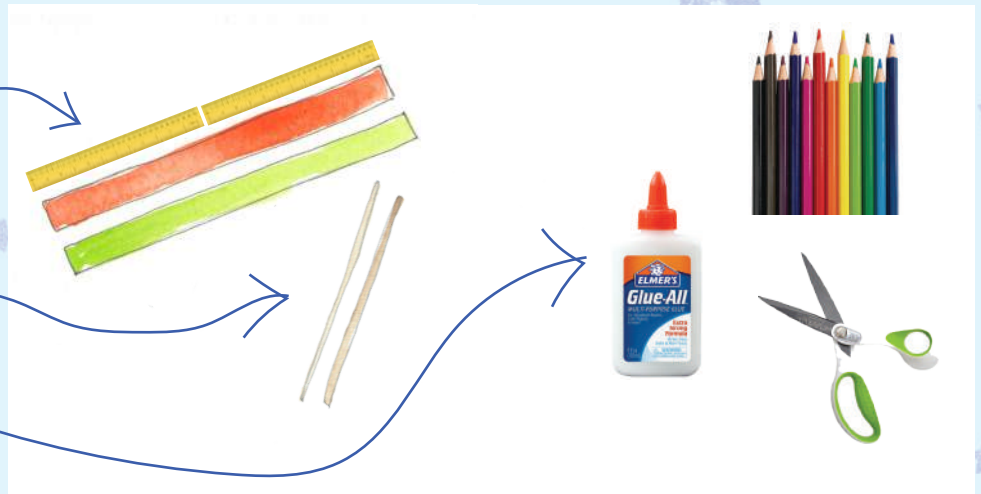

Two long strips of coloured paper, about the length of two rulers (60cm)

Two Sticks (Chop sticks, or Twigs)

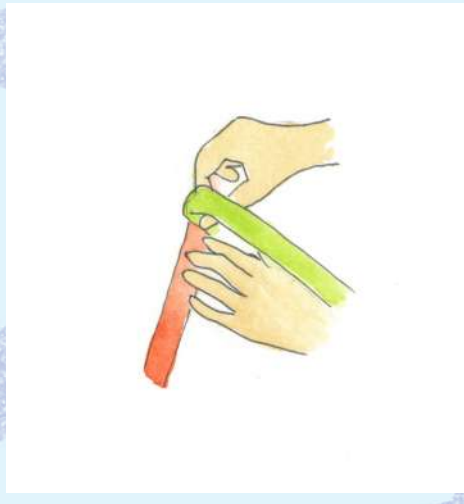

Scissors

Glue

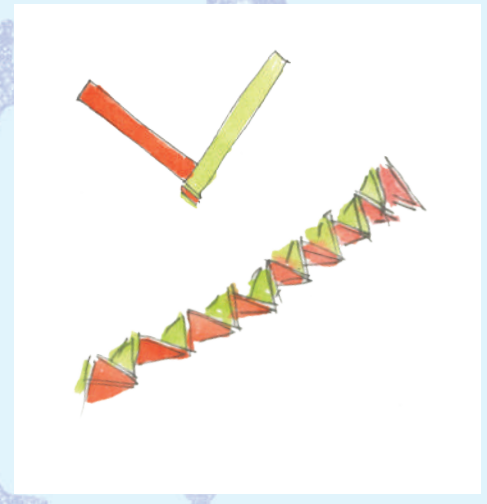

Coloured pencils

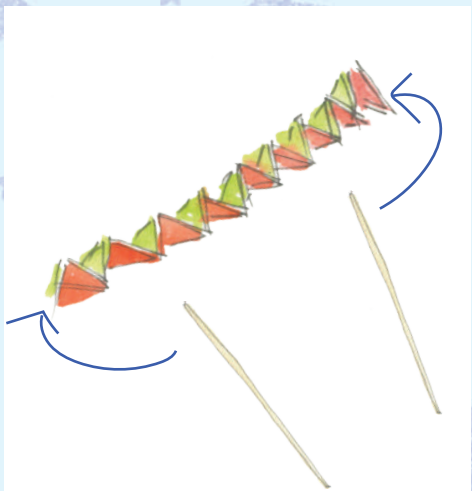

Glue the two edges like the picture shown and allow time to dry.

Fold the strips of paper one after each other.

It should now look like an accordion.

Glue the two sticks to the edges like the picture shown and allow time to dry.

Print out the head and tail templates, or draw them yourself. You can then colour them in.

Glue your coloured head and tail like the picture shown and allow time to dry.
